

STATE PROCUREMENT OFFICE

**SPO PRICE LIST NO. 00-34 (Oahu only)**

Replaces Price List No. PL 98-34  
(Oahu Only)

**ELECTRICAL SUPPLIES**

(IFB-00-082-O)

April 1, 2000 through March 31, 2001

**STATE'S COMMITMENT.** Agencies of the following purchasing jurisdictions are required to purchase from this price list:

1. Executive Branch;
1. Department of Education;
1. University of Hawaii; and
1. The Judiciary.

**EXCEPTION TO THE PRICE LIST.** When the use of the price list is not suited to an agency's purpose, the appropriate purchasing jurisdiction may grant an exception to purchase outside of the price list. Executive Branch agencies shall use SPO Form 5 (dated 9/18/96 or later), "Request for Authorization to Purchase Outside of the Price List", for this purpose.

**USE OF PRICE LIST BY NONPROFIT ORGANIZATIONS.** PURSUANT TO Section 103D-804, Hawaii Revised Statutes (HRS), nonprofit organizations with current purchase of service contract(s) (Chapter 42D or 103F, HRS) have been invited to participate in the State Procurement Office's (SPO) price lists.

If a nonprofit organization (hereinafter called "nonprofit") wished to purchase from a SPO price list, the nonprofit must obtain approval from each price list vendor, i.e., participation must be mutually agreed upon. A price list vendor may choose to deny participation by a nonprofit. Provided, however, if a nonprofit and price list vendor mutually agree to this arrangement, it is understood that the nonprofit will retain its right to purchase from other than a price list vendor.

At the time of award SPO will inform vendor(s) of those nonprofits interested in participating.

**VENDORS.** Orders for Electrical Supplies are to be placed with the following vendors:

<u>Vendor</u>	<u>Address</u>	<u>Telephone</u>	<u>Facsimile</u>
<b>Graybar Electric Co., Inc.</b>	99-833 Iwaena St. Aiea, HI 96701	486-3340	487-0452
<b>WESCO Distribution, Inc.</b>	1030 Mapunapuna St. Honolulu, HI 96819	839-7261	839-9233 834-1652

**VENDOR CODE** for Executive agency annotation on purchase orders is obtainable from the "Alphabetical Vendor Edit Table Report" available at your department's fiscal office. **Agency is cautioned that the remittance address on an invoice may be different from the address of the vendor code annotated on the purchase order.** Therefore, when processing an invoice for payment be sure the correct vendor code is used.

**PURCHASE ORDERS** shall be issued on an as needed bases during the price list period. It is the responsibility of each agency to insure timely issuance of purchase orders. Vendor is not obliged to accept any order received after the price list expiration date; however, vendor shall fill timely orders for which delivery may extend beyond the expiration date. Do not issue purchase orders specifying delivery after the price list expiration date.

Agencies are encouraged to reduce the number of purchase orders (PO) issued by consolidating as many price list items as possible on each PO. This will reduce the administrative expense of processing purchase orders and vendor deliveries.

**"SPO PL NO. 00-34"** should be noted on purchase orders issued against this price list.

**UNIT PRICES** include delivery to destination and all other costs **except** the Hawaii General Excise Tax, currently 4%. Agencies are requested to add the 4% tax to their purchase order total.

**DELIVERIES** of orders totaling \$50.00 or more shall be completed within five (5) working days from receipt of purchase order. Orders totaling less than \$50.00 shall be available to the using agency on a "will call" basis; delivery may be made at the option of the Contractor according to his delivery schedule. Any order placed in "will call" shall be ready for pick up within three (3) calendar days.

**FAILURE TO DELIVER.** Vendors are obliged to deliver the items listed on this price list. Agencies are advised that if an order is placed and a vendor is unable to deliver within the time allowed for delivery, the agency should arrange with the vendor for an acceptable substitute. Vendor shall deliver an acceptable substitute at the prices listed after the prior approval has been given by the order agency.

All claims for shortages and/or wrong merchandise shall be made within five (5) working days after receipt of order.

**WARRANTY.** Items furnished by the Contractor shall be guaranteed by the Contractor for a minimum of ninety (90) calendar days from date of purchase against defects resulting from the use of defective or inferior materials, equipment or from negligent workmanship.

Contractor shall replace or repair any defective workmanship or material at no cost to the State for labor and parts during the warranty period, provided such defects are not due to abuse or negligence on the part of the State. Replacement of defective items will be made within 24 hours after request has been made by the State agency.
